

OBUSFORME – LOW BACK BACKREST SUPPORT

DESCRIPTION:

- Transforms ordinary chairs into ergonomically correct seating
- Unlike ordinary "L"-shaped chairs, the "S"-shape of the Obus Forme Backrest Support molds your spine into a more anatomically correct position
- Helps to enhance overall posture by supporting proper spinal alignment
- Can prevent fatigue by reducing strain and energy demand on muscles
- Can provide relief from pain aggravated by poor posture including back pain, neck pain, shoulder tension and headaches
- Can ease the pain caused by spinal disc problems and sciatica by reducing spinal compression
- Removable and adjustable lumbar pad offers additional back support that can be customized for your needs
- The unique polycarbonate "S"-shaped frame with polyurethane foam gently supports the natural contours of your spine
- Brushed nylon cover can be removed and sponge washed
- Lightweight and portable for use at home, in the office, or on the go
